**Champion Church Program**

The Champion Church program is designed to be one of the main levels of support for an annual Christian musical festival called Vertical Fest. FLY Worldwide, a non-profit organization that brings this event to Pine Bluff every year, along with other events throughout the year, is dedicated to reaching unsaved youth in our area and desires to see our local churches united together for the cause of Christ. God has been using these events to touch hearts and change lives, and all of us here at FLY are excited to see what amazing things lie in store for this year.

Vertical Fest serves as a fund-raiser to help underwrite future community outreaches. This year the board has eager expectations for the new direction we have elected to pursue. We will be focusing our energy on reaching inner city youth that have slipped through the cracks, and may need to be approached in a different way. Biblically speaking, we are after "deep water fish." (Luke 5:4)

The Champion Church Program is an opportunity for the local church to partner with FLY Worldwide, Inc. How it works is simple:

- We furnish Youth Pastors with 2 free tickets (for personal use)
- We supply posters
- We supply promotion Video/CD (upon request)
- We supply tickets

You agree to:

- Promote Vertical Fest within your congregation & community
- Make announcements to your church members and/or youth group
- Display posters, and show video/CD
- Send out E-mails to your list
- Put inserts into bulletins
- We urge you to use Vertical Fest as an evangelism tool. Impress upon your youth to pray for who God would have them invite.

In return, your church will be able to purchase their tickets to Vertical Fest from the Youth Pastor for \$13.00 regardless of the number of tickets you sell – that is less than the advertised group rate of \$ 15.00 for groups of 15 or more. That is also \$ 7.00 off the face value price of \$20.00 for an advance single ticket.

In addition, for every 10 tickets that you sell, you will receive **1 free ticket** to use for ministry outreach. We call these bonus tickets "Evangelism tickets." We encourage you to use these tickets to invite someone who might not have otherwise had the opportunity to attend the event. There may be some people in your church who have no intentions to go to Vertical Fest- and that's okay! What we encourage you to do is ask them to purchase a ticket anyway. Explain that the tickets purchased will be used for outreach purposes by your youth to give to those that God lays on their heart.

Each ticket will have an area on the back for the ticket holder to record their name, address, and e-mail (if available). It is a requirement to have these items filled out in full for the ticket to be valid at the door. The tickets will be registered to your church by numbers on the tickets so that after the event, you will have a record of all those who came to the event using your allotted tickets. This will be a priceless tool in tracking the outreach program of your church and will provide the necessary information for the youth pastor to follow up with the "new attendees".

We want this event to be a spirit filled day that will reach the area youth through music with a message, ministry on stage and off, and lifting up the name of Jesus- if we do that, He will draw all men to himself (John 12:32). The true success of the event, however, will come from the connections that are made through reaching out into our community in love. We believe that your follow up visit with those who could be lost and hurting will help you and us assure a lasting effect of what could be a life changing event in many young people's lives.

### **Champion Church Partnership Agreement**

By signing this agreement we are committing to the prayer, support and promotion of Vertical Fest. We agree to maintain accounting of the tickets and proceeds of sales. FLY Worldwide, Inc. commits to support each Champion Partner with prayers, supplies, support and guidance.
